

# PUBLIC NOTICE

## Towyn Road, Pensarn – Construction Update

Cartrefi Conwy would like to inform residents of the upcoming activity at our Towyn Road housing development site.

**Piling Works – The next phase of piling works is scheduled to commence on Thursday the 4th December, works should be complete within two weeks and as per previous visits noise and vibration monitoring will be put in place.**

This phase may involve intermittent noise and vibration. All works will be carried out during the week within permitted hours.

While every effort will be made to minimise disruption, please be aware that lifting operations and machinery movement may generate some noise. These activities will be managed to reduce the impact on nearby residents.

**Saturday Working Hours -** When required, our contractors will now be working on Saturdays between 8:00 am and 1:00pm, in accordance with the site's planning approval.

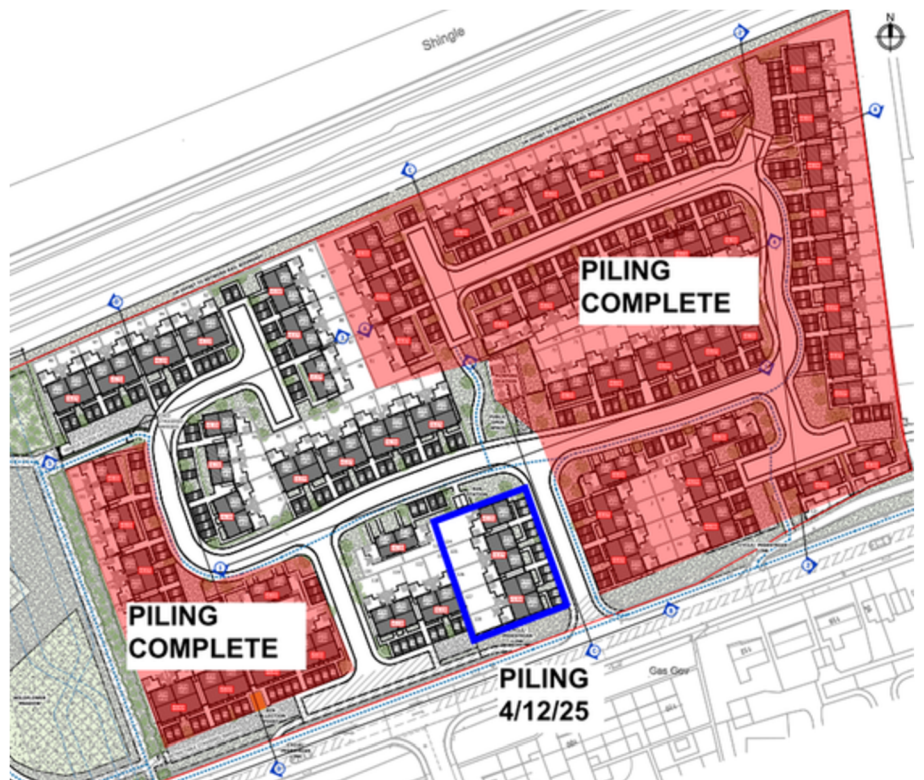

**i** If you have any questions relating to this project, please email:
